As recently as 12/4/69 [redacted] along with ME 338-R advised that MICHAEL LANE WELCH, who is heading the Millington GI Defense Committee, has given his home phone number as 278-2356, [redacted] adding that this same number is used by WELCH's roommate, ALLAN D. FUSON.

On 12/5/69 Mrs. MARJORIE MOORE ENFIELD, Secretary, Security Office, Southern Bell Telephone Co., 1544 Madison Avenue, Memphis (protect identity), confidentially advised that telephone # 278-2356 is an unlisted number subscribed to by MICHAEL WELCH, 2086 Jefferson Ave., Apt. 2, Memphis. The telephone was connected 7/28/69 at which time WELCH listed his employment as assistant at the Westminster House, a campus religious installation on Patterson Ave., Memphis (it is noted RICHARD MOON, who has sympathized with various New Left causes in the Memphis area in recent years, is the director of the Westminster House and when WELCH originally rented the apartment through Consolidated Realty Co. he told the rental agent he was employed at the Westminster House; repeated inquiries through informants failed to show WELCH is actually working at the Westminster House and his current exact employment, if any, is not known). It is noted WELCH was recently trying to obtain employment with the American Federation of State, County and Municipal Employees but it is not believed, through sources, that he has obtained such employment.

Mrs. ENFIELD was requested to search any long-distance toll charges made from or to # 278-2356, and she advised she would do so and contact this office as soon as this information is available.
